

# ChitoCare<sup>®</sup>

MEDICAL

Natural healing  
from Icelandic nature

# ChitoCare<sup>®</sup>

MEDICAL

## ChitoCare treatment

Treatment starts after stitch removal

Day 6 of ChitoCare treatment

Day 38 of ChitoCare treatment

Natural healing  
with ChitoCare

## First aid and natural skin healing

Every home should be prepared for first aid and burn emergencies with ChitoCare. ChitoCare spray and gel protect the skin and maintain moisture, promote healing of scars, pimples, cold sores, skin rash, eczema, sunburns and skin inflammation.

ChitoCare contains ultra-pure natural chitosan manufactured by Primex Iceland from the pristine waters of the North Atlantic Ocean.

- Protects skin
- Relieves minor burns and pain
- Reduces scars
- Reduces redness and itching
- Natural healing of irritated skin
